# Welcome to High Five!

Welcome back to High Five. Our theme this week is to Be Confident. We find it easier to Be Confident when we are doing something familiar or something we find easy. This week, let's challenge ourselves to be confident when doing something new or difficult. Lots of our schools have been challenging, inspiring and supporting their pupils to Be Confident during their High Five Fridays. Read on to find out how!

Remember all of our activities are based on the Take 5 model developed by the Public Health Agency (PHA). You have heard about how important it is to take at least 5 portions of fruit and vegetables a day for your physical health. Take 5 gives us 5 good ideas to help with our emotional and mental health.

More information about Take 5 is available at <https://www.mindingyourhead.info/take-5-steps-wellbeing>.

We hope you have fun trying out these good ideas - let us know how you get on at [primarybsp.enquiries@eani.org.uk](mailto:primarybsp.enquiries@eani.org.uk)

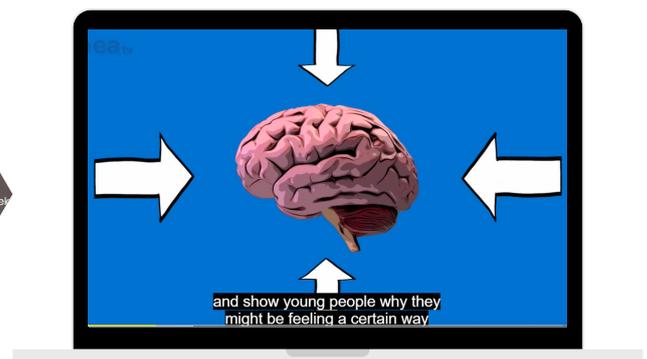

Put High Five in the subject line and **make sure you ask an adult before emailing - they'll need to tell us if it's ok to share your pictures and stories on our website and social media platforms.**

## Neuronimo

Reverse The Trend are working with the EA to deliver Neuronimo - a 12-week mental and physical health programme that is available to all the schools in Northern Ireland. Click the link below to go to NI schools registration page:

# Take5

steps to wellbeing

## Be Active

Play, join a team sport, walk, cycle, run around. Being active helps us keep fit and also makes us feel good.

## Connect

Have fun with friends, talk with family, help out at home, share your feelings. Being connected makes us feel loved.

## Take Notice

Watch and listen to what's going on around you, changing seasons, bugs, birds, flowers and rainbows. Take notice of how you feel.

## Give

Do something nice for a friend or family member, share, smile. Give to yourself - play, be creative, use your imagination, draw, paint, dance, dream. When we give to ourselves or others it makes us feel happy.

## Keep Learning

Read for fun, learn how to do something new, try your best. Set a challenge you will enjoy. Learning new things makes us feel proud as well as being fun to do.

# Be Confident

Try this whole class activity to inspire, support and challenge each other to be confident- you can do it over a couple of days if you like.

1

On a whiteboard or a big sheet of paper write the question: What does it mean to be confident?

2

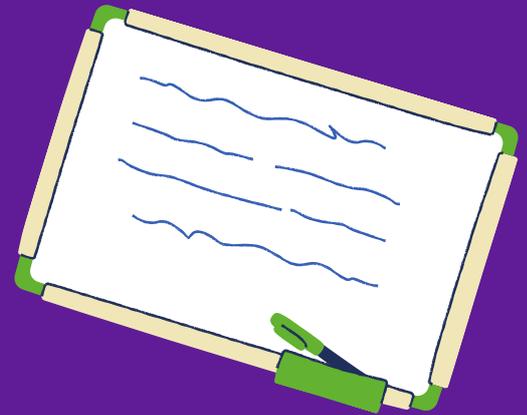

Leave this up while you go about your usual class tasks. When you think of an answer to this question, go and write it on the board (there is no wrong answer and we're not worried about spelling)

3

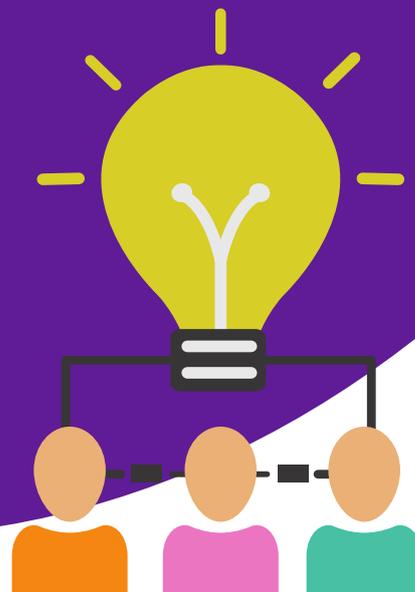

Once the page is looking pretty full take time together to look at what confidence means to your class.

4

Repeat steps 1, 2 and 3 but this time the question is - what helps you to be confident?

The answers you collect can be turned into a class plan to inspire, support and challenge each other to be confident!

## Kind Compliments

A compliment is when you tell other people what you like about them and what they are good at. Hearing positive comments from others helps us to feel good about ourselves. Find some friends and take turns giving each other some compliments.

You have the best laugh!

You are good at drawing

You are really kind

You work hard

We make a great team

You are fun to spend time with!

How would it make you feel if you heard your friends give you kind compliments?

## Joyful Jar

Fill a jar with lots of things that make you feel happy. You can put anything you like into your 'Joyful Jar'. It could be things that happen in school, when you are spending time with your family and friends or when taking part in a club. Post some positive messages to yourself like...

- Happy memories
- Things you are grateful for
- Things you love
- Compliments to yourself
- Things that make you smile

Once you have filled your 'Joyful Jar', put it somewhere you can see everyday and whenever you need a sprinkle of joy open it up and read what's inside.

You could create a 'Joyful Jar' with the people at home.

## Top tips to help you manage your feelings when trying something new.

If you are finding something difficult try using this star to help...

# S

### **S is for Stop...**

When you are faced with a difficulty, stop

# T

### **T is for Take a Breath...**

Usually taking a few slow deep breaths relaxes your body and mind

# A

### **A is for Accept...**

Accept that you are finding something difficult or need some help

# R

### **R is for Restart...**

When you are ready you can try again or move on to something else

Talking to someone about how you are feeling can help you problem solve and come up with other ways to find a solution. Talking about our feelings can also help to reduce any stress and worries you may have. You can ask for help from the adults in school or the people at home.

## It's Good To Be Me

Think of some of the reasons why it's good to be you!

**Name 3 of your best qualities...**

**What are your favourite things to do?**

**What are you grateful for?**

**What are you good at in school?**

**Are you proud of something you achieved recently?**

**Have you helped anyone recently?**

You could put your ideas in your Joyful Jar

## Follow My Call

How to play:

Start by walking around the edge of the playground. All the players are invited to follow, keeping a distance between themselves and the player in front of them, giving everyone plenty of space. On commands from the leader the rest of the group must perform certain actions. Some of the commands and actions could include:

**Clap** – Clap hands to side

**Turn** – Turn quickly and walk in the opposite direction

**Jump** – Jump from two feet

**Touch** – Touch ground with both hands bending at the knee

**Skip** – Skip forwards

**In skip** – Face inward and skip

**Out skip** – Face outward and skip

**Jog** – Jog slowly

# PBSP Inbox

Ballysillan Primary School were chosen to plant Belfast's first tree to mark HM Queen Elizabeth's Platinum Jubilee in 2022. Her Majesty is gifting a tree to one school in every UK city. The trees will form part of The Queen's Green Canopy initiative - a unique project created for HM's Platinum Jubilee. All schools are encouraged to actively engage with the Queen's Green Canopy.

Dawson Stelfox MBE DL joins Ballysillan P.S. P4 pupils Carson and Jennifer, Acting Principal Catherine Davidson, P1 teacher Courtney McWhirter and William Humphrey MBE MLA to plant the Ornamental Pear Tree marking the Queen's Platinum Jubilee next year.

The Queen's Green Canopy Plaque, which will be erected beside the tree.

P7 pupil Mason helped William Humphrey MBE MLA officially open the new MUGA pitch and other playground enhancements at Ballysillan Primary School, alongside Acting Principal Catherine Davidson.

In N.I., free tree packs are available through 'The Conservation Volunteers'.

# For the grown ups

The help hub is a section especially for the grown ups, whether at home or in school. In each issue we'll share helpful tips and good ideas. If you would like us to cover any topics in this section let us know at [primarybsp.enquiries@eani.org.uk](mailto:primarybsp.enquiries@eani.org.uk)

# Be Confident

Try these bitesize tips to Inspire, Challenge and Support your young people to be the best they can be.

## Inspire...

- Lead by example – show our children how we can be confident in ourselves
- Share – share a time when you were anxious or worried and needed to build your confidence to be brave
- Don't over praise – praise their efforts not the outcome

- Preparation is key – work with your children to prepare them for difficult or new situations when they will need to show their confidence
- Focus on their strengths – talk with them about how their confidence shines through when they are doing an activity they are interested in
- Ban harsh criticism – don't allow your child to engage in negative self-talk and notice how other adults speak with them

## Support...

## Challenge...

- Provide opportunities for our children to use their confidence – such as ordering for themselves in a restaurant
- Allow children to fail – this is how they develop their resilience
- Encourage practice to build their competence at whatever they are interested in

**"The enemies of confidence are discouragement and fear," Carl Pickhardt, Psychologist.**

# When We Need Support

If you are having financial difficulties during this time, there is help you can access. Here are some of the local supports that are available if you are in difficulty.
