7th November 2023

Dear Parents/Carers,

We are all absolutely delighted at Edendork P.S. with the recent news from Cash for Kids. Not only did we raise £40,248.88 through your very kind and generous donations (*including your time to organise and help at events and fundraisers*) we secured First Place in the NI Schools Challenge which brought our total raised to £45,248.88.

An application has been made to Cash for Kids for the funding to be utilised for the following:

- Creating 'sensory areas' in key locations around the school environment which will include Indoor and Outdoor Sensory Spaces & equipment.
- Replacing water damaged P.1 and P2 essential reading books.
- To enhance children's outdoor experiences by providing an enclosed/sheltered 'canopied' space enabling children to play/access outside regardless of the weather; zoning off the current play ground space to facilitate interest & need (eg. Construction Area, Sensory Space); Playground Markings; Free Standing Outdoor KS1 Trim Trail KS1 and Key Stage 2 Trail to be fitted.
- To present all children with regular PE activities inclusive of athletics, dance, gymnastics and games.
- Counselling Services for individual children to avail of.
- Purchase of Mathematics resources.
- Purchase of two Interactive Smart Touch Whiteboards to replace two currently on short term loan.

A massive thank you to the following local businesses who collectively contributed in excess of £19,000 in funding donations through either the Cash for Kids giving page or directly to the school. I would urge you, if possible, to support these businesses in return for the support they continue to give to the children attending Edendork P.S.
